10. Upon a signal from the adjudicator, the choir and choir director will examine the score following directives of the adjudicator. No pitches, chords, melodic lines, or rhythmic patterns shall be played, hummed, sung, whistled, or tapped by the director of the choir or the singers.
11. At the discretion of the adjudicator, the choir may repeat the example with accompaniment.
12. Each choir shall have no more than 15 minutes in the sight-reading room.
13. All sight-reading examples must be approved by the executive committee to ensure they are consistent with bylaws and appropriate in difficulty.

Section 5. Rules and regulations for Swing and Show Choirs:

A. Categories: There are two (2) categories in this festival:

1. Swing Choir/Jazz Choir: Swing Choirs are not required to do choreography; however, some movement may be employed.
2. Show Choir: Show Choirs are required to include choreography in their performance.

B. Music/Performance

1. Musical selections to be performed are at the discretion of the teacher; however, only selections in the pop (show tunes/musicals) and jazz idioms are acceptable. These selections should reflect the quality of music that is reported in published music lists.
2. Each group is allotted 20 minutes total stage time. This includes setting up and breaking down equipment, and the performance.
3. There is no limit on the number of songs performed. The overall performance will be judged and not the number of selections within a 20 minute time limit.

By-laws

4. Three (3) copies of each piece of music performed must be supplied to the adjudicators (one copy per judge). Number all measures.
5. Copied music is prohibited. Anyone submitting copied music will be disqualified. Review copyright laws and WTVMEA rules (see Article X, Section 1, D).
6. Directors may use their own arrangements of any published musical work and/or use their own original works. Notify the chairperson prior to arrival and submit the proper letters of permission and copied scores. Indicate this request on the registration form.
7. Accompaniment tapes, compact discs, soundtracks, and digital media may be used, but no singing parts should be present on the recording (i.e. demo tapes are prohibited). Live accompaniment may also be used (see equipment guidelines).
8. Choirs desiring to include an excerpt from a musical score (a short introduction, interlude, or a finale) in their performance can do so without providing scores. The director should take care in selecting material so as to not violate the score requirements.
9. A time clock will be used to time each group's performance. Any choir exceeding the allotted time for performance shall be assessed a penalty of one rating.
10. Choirs may register for one of several ratings or for comments only. The desired rating should be indicated on the registration form.
11. Each performing group will be supplied with written and taped comments.
12. Failure to report to the chairperson possible arrival difficulties or to report to the proper place on time may result in the performance group being moved to the last place on the schedule or disqualification.

C. Fees and other expenses

1. For this festival only, the registration fee for each performing group is \$125 (see Article VIII, Section 1, A).
2. The Sound Engineer will supply all equipment as outlined in the Constitution and Bylaws and earn an honorarium of not more than \$500 for the festival.
3. The chairperson may requisition an expense check for no more than \$100 to take care of expenses occurred on the day of the festival. After the festival, a completed Expense Voucher, receipts, and money not spent must be turned into the Treasurer.

D. Scheduling

By-laws

1. The normal festival time will be one day. Starting time is 8:00 a.m. on Saturday morning. The number of choirs participating will determine the ending time.
2. Choirs are scheduled, if possible, according to categories. Junior high Swing and Show Choir divisions are to be scheduled together. High school Swing/Jazz and Show Choir divisions are to be scheduled after the Junior High sections. The number of participating choirs determines scheduling.

E. Equipment

1. The festival will supply a Sound Engineer and the following equipment: cassette / CD player, microphones (minimum of 16), piano, and two monitors.
 2. The festival will not supply choral risers or any musical instruments or equipment, such as additional microphones, trap drums, etc. If additional equipment is needed, it is up to the individual performing groups to bring their own.
 3. Setting up and/or breaking down equipment (risers, microphones, drums, etc.) are included in the 20-minute stage time.
 4. If a director desires to use additional sound equipment, he/she must notify the chairperson and/or Sound Engineer by completing the proper form(s). This is necessary in order to facilitate festival planning and to keep the momentum and standards high.
- F. Judges: Three adjudicators will be used. The same three judges must be used for the entire festival, beginning to end. Ratings will be a composite of the three judges scores (see Article XIV, Section 2).
- G. Ratings: Ratings will be given in accordance with Article XIV, Sections 1 and 2 of the WTVMEA By-laws. Note – Although each judge will indicate a rating for each group, the performing groups are not in competition with each other.

Section 6. The following rules apply to Solo and Ensemble Festival:

- A. All music will be performed from memory
- B. Each solo and each ensemble are limited to one song.
- C. Each solo and each ensemble are limited to 8 minutes.
- D. Ensembles are not to be directed and directors may not sing with the ensemble.
- E. Solos and ensembles may or may not be accompanied.
- F. Madrigal groups will be limited to 16 voices.
- G. A student may not sing two solos of identical character, nor in two ensembles of identical character (i.e. 2 girls, two mixed quartets, etc.). One judge per event will judge Solo and Ensemble Festival participants.

By-laws

- H. Musical selections may include classical, patriotic, spiritual, musical theater, jazz, gospel, and contemporary literature. Students may perform vocally or on the piano. These performances are at the discretion of the teacher and should reflect high quality performance standards.
- I. Student performers are expected to introduce themselves at the WTVMEA Solo and Ensemble festival, including performer's name or the name of the ensemble, and title of piece, composer and accompanist's name.

Section 7. The following rules apply to auditions for All-West Tennessee Choruses and All-State Chorus:

- A. All of the All-West Tennessee Chorus auditions will be held no later than one week prior to each respective concert.
- B. 240 members (35 each on the soprano one, soprano two, alto one, and alto two voice parts, and 25 each on the tenor one, tenor two, bass one, and bass two voice parts) will be selected by competitive audition for each of the All-West Tennessee Senior High Choruses. The event chairperson, co-chairperson, and Executive Committee have some discretion over these numbers. If there are ties for the last chair in a voice part, they may, if they see fit, allow the number to exceed 240. By the same token, if a particular voice part has very few contestants auditioning, they may eliminate any scores they feel are too low, even if it means not having the allotted number of singers on that part. No alternates will be chosen for All-West Tennessee Choruses. Six (6) alternates will be chosen for each voice part for All-State Chorus. In the event a school's participants in the auditions fails to have a student make a high enough score to be selected for the All-West Tennessee Chorus, the student with the highest score from that school will be selected to participate in the respective All-West Tennessee Chorus. Their participation will not count as credit towards the Honors Choir Awards or membership in the All-State Chorus.
- C. 200 members (25 soprano ones, 25 soprano twos, 25 alto ones, 25 alto twos, 25 tenor ones, 25 tenor twos, 25 baritones, and 25 basses) will be selected by competitive audition for the All-Northwest and All-Southwest Junior High Choirs. In the event there is a question about whether scores are high enough in a voice part to allow students to be selected, the Executive Committee members that are present will select fewer students. In the event a school's participants in the auditions fail to have a high enough score to be selected for the All-West Tennessee Chorus, the student with the highest score from that school will be selected to participate in the All-West Tennessee Junior High Chorus. Their participation will not count as credit towards the Honors Choir Awards. Only 7th, 8th, and 9th grade students will be allowed to audition for the All-West Junior High Choirs.
- D. The number of West Tennessee participants for All-State choir will be determined at the 1st business meeting of the school year by adding the

By-laws

total number of schools participating in the All-Northwest and All-Southwest senior high honor choir for the 3 previous years. Then, take the total number of choirs and divide it into the total number of choirs for each festival: Northwest and Southwest. This step will give the percentage base for the number of participants and alternates for All-State. When there is a partial student involved, Southwest will receive the additional student on ODD numbered years and Northwest will receive the additional student on EVEN numbered years. Placement for the All-State member and alternates, will be based on the alternating method of Mixed Choir and Men's/Women's Choir, using the percentage set forth by the fore mentioned formula. This process will remove the All-State 2nd tier audition.

- E. No girl tenors will be selected. No freshman is eligible to sing in All-State Chorus, but is eligible for All-Southwest and All-Northwest Choruses. Boys will be allowed to audition and perform on soprano and alto parts only in the All-West Tennessee Junior Honor Choir.
- F. The following guidelines will be used to adjudicate and rank student contestants in auditions:
 - 1. Junior High:
 - a) A minimum of three (3) active members of the Association will serve as judges for each voice part. The students will be adjudicated by each judge using a 100 point scale weighted in six areas: Tone – 21 points, Musicality – 11 points, Diction – 12 points, Technical Accuracy – 13 points, Pitch – 24 points, and Rhythm – 19 points. When using three (3) judges, the scores from the judges will be either totaled or averaged and the students will be ranked in their section from highest to lowest totaled or averaged score. When using five (5) judges, the high and low judges' scores will be dropped and the students will be ranked in their section based on the totaled or averaged scores from the three remaining judges.
 - b) A tie will be broken, should it occur, first by determining which student has the higher score on pitch. If the score on pitch is the same, then the student with the higher score on tone will be ranked highest.
 - 2. Senior High:
 - a) A minimum of three (3) active members of the Association will serve as judges for each voice part. The students will be adjudicated by each judge using a 100 point scale weighted in six areas: Tone – 21 points, Musicality – 8 points, Diction – 10 points, Technical Accuracy – 13 points, Pitch – 24 points,

By-laws

Rhythm – 19 points, and Sight Reading – 5 points. When using three (3) judges, the scores from the judges will be either totaled or averaged and the students will be ranked in their section from highest to lowest totaled or averaged score. When using five (5) judges, the high and low judges' scores will be dropped and the students will be ranked in their section based on the totaled or averaged scores from the three remaining judges.

- b) A tie will be broken, should it occur, first by determining which student has the higher score on pitch. If the score on pitch is the same, then the student with the higher score on tone will be ranked highest.

G. The following instructions should be given to both judges and students:

1. Only girls may audition for Soprano and Alto (Senior High) and only boys may audition for Tenor and Bass parts.
2. No student may audition for two different voice parts.
3. Be friendly
4. Student contestants are not to wear or bring any item into the adjudication room that identifies the school they attend or the towns in which they live. To insure the student's right to a fair and impartial audition, judges are not to speak to the student at any time. The CD operator will be placed so that he/she can coordinate and direct the audition process.
5. CD accompaniments will be used during the audition for each student. The CD will contain at least five different auditions consisting of three (3) different passages for each student contestant to sing. No solo passages may be used for the audition. The accompaniment will be recorded on a piano or keyboard with piano sound (timbre).
6. No student may be required to sing from memory or a cappella.
7. Move quickly when announcing the audition number. Be specific about which audition is to be performed and give the student a chance to get his music ready, in the proper order. When you have determined they are ready, ask if they are ready to begin. Give the student every chance to get started correctly. Once you start the CD, let it run to the end of the audition without stopping.
8. If a student, obviously or by his/her own admission, does not know a piece, that part of his/her audition score should be subtracted (one third, one fourth, etc.).

By-laws

No excuses can be accepted (“we didn’t get the music, I’ve been sick, I’m hoarse,” etc.).

9. Give a completely fair hearing to every student. If behind schedule, be extremely careful in attempting to “make up time.” The only time an abbreviated audition is justified is when a student does not know a requested passage or selections, or is struggling after repeated attempts to begin (see 9 above).
10. Only Senior High students will be judged on their sight reading ability. Sight reading guidelines include the following:
 - a. The All-West Senior high audition CD will include a sight reading section containing:
 - 1) A piano timbre playing a G4 for women and a G3 for men.
 - 2) Twenty (20) seconds of silence during which the student will examine the material. During this time they may practice the exercise aloud. The student is not to be judged on anything heard during the twenty (20) seconds.
 - 3) A piano timbre repeating the starting pitch.
 - 4) A four count click track count-off
 - 5) Clicks throughout the duration of the sight reading exercise.
 - b. The length and characteristics of the sight reading excerpt will be determined by the Executive Committee and announced in conjunction with the musical selections for All-West auditions.
 - c. Sight reading is worth five (5) points of the audition and will be scored as follows:
 - 1) One (1) point for starting on the correct pitch
 - 2) Two (2) points for correct notes, distributed equally across the number of measures in the sight reading exercise.
 - 3) Two (2) points for correct rhythm, distributed equally across the number of measures in the sight reading exercise.
- H. A music selection committee will review and accept or reject music submitted by the All-West conductors.
- I. A teacher having a student in any one of the following events: Senior Honor Choir Auditions, Junior Honor Choir Auditions, All-West Tennessee Chorus rehearsals, All-West Tennessee Chorus concerts, regional All-State Chorus rehearsal, must help and will be assigned a work duty at the event in which his/her student(s) participate. If a teacher is unable to fulfill his/her work duty, he/she must immediately advise the WTVMEA Executive Committee. Upon approval of the

By-laws

teacher's absence by the Executive Committee, a substitute, who is a current active or honorary member of WTVMEA, must fulfill the teacher's responsibility in order for his/her students to remain eligible for the All-West Tennessee Chorus event affected. Failure to comply with these obligations will result in the teacher's student(s) being removed from the All-West Tennessee Chorus event and possible censure of the member teacher and/or school according to Article III of these Bylaws.

- J. The students must audition for the same voice part for All-State Choir as they did for All-West Tennessee Choir.
- K. The following dress code for the performance of the All-West Tennessee Choruses shall be:
 - 1. Women: Ankle length black dress with a sleeve, or an ankle length black skirt with a black top of similar or complementary fabric, black shoes no more than 2 inches in height, optional modest jewelry such as a single strand of pearls or a drop-pearl pearl or single stone on a delicate chain. No long dangling earrings or heavy choke necklaces. There shall be no visible cleavage.
 - 2. Men: White tux shirt or white long-sleeve button-down shirt with black bow tie, black tux pants or black dress slacks, black dress shoes and black socks. No jackets, and no tennis shoes.
- L. Students selected for the All-West Tennessee Choruses must be present for all and every scheduled rehearsal with all music fully prepared. Failure to abide by this rule will result in dismissal from the choir and the forfeiture of the year's credit toward the Honors Choir Awards and membership in the All-State Chorus. In case of illness, students desiring to receive full credit for participation in All-West Choruses, including awards and All-State participation, must document the illness by the Winter meeting by submitting to the Executive Committee the following:
 - 1. A written statement from their doctor on the doctor's stationery, clearly identifying the dates and nature of the student's illness.
 - 2. A written recommendation from the student's director/teacher that he/she be awarded participation credit in All-West.
- N. The rehearsal and concert schedule for the All-West Tennessee Choruses shall be as follows:
 - Thursday Night:
 - 6:00 p.m. Seating Assignments

- P. WTVMEA will pay an honorarium of \$100 to each professional musician employed by the Executive Committee.
- Q. The accompanist audition for All-Region Concerts will take place at the All-Region Choir Auditions. The President (or another member of the Executive Committee), All-Region Chairperson, and another member chosen by the President (or another member of the Executive Committee) and Chairperson will hear the auditioners play each accompanied selection that they have prepared. Each selection will be graded separately, on a scale of 1 (poor) to 5 (superior) in the following categories: rhythm, tempo, technical accuracy, dynamics, musicality, sensitivity to director (ability to follow the conductor). If different students are clearly superior on different selections, then two or more may be chosen. Some special consideration should be given to the student who scores the highest overall. The clinician for each All-West ensemble will specify musical selections for which they would accept a student accompanist. This should be done when the song list is originally given to the event chairperson and that list should be passed on to the directors. Student accompanists may audition on as many of those songs as they wish. Any selections not accompanied by a student pianist will be performed by a professional pianist.

Section 8. The following rules will apply to the WTVMEA Vocal Scholarship Competition:

- A. There will be no entry fee for this competition. Any student currently sponsored by an active WTVMEA member will be allowed to enter.
- B. The teacher/student will be responsible for filling out the application form correctly. This form will be available from the WTVMEA website, the event chairperson, or the Secretary.

 - b) If a teacher needs to send an alternate form of recording, the teacher needs to contact the event chair to confirm the viability of such recordings.
- D. The entry form and recording must be sent to the event chair and postmarked by the date established on the WTVMEA Calendar. Late entries, or entries that do not follow the above criteria will not be accepted.
- E. Each entry will be judged by at least three (3) independent judges who are not affiliated with WTVMEA.
- F. Two (2) awards will be given for this competition: \$200 for a Jr. High student (7-9 grade) and \$200 for a Sr. High student (10-12 grade).
1. The award is a scholarship to promote and facilitate vocal growth; therefore the money is not awarded directly to the student, but to the student's voice teacher to pay for future lessons.
 2. If the winning student is not currently taking voice lessons, the award may be deferred until a voice teacher can be secured.

Section 9.

The following rules will apply to the Choral Composition Contest:

- A. The contest is open to any student in grades 7-12 whose teacher meets the eligibility guidelines as stated in Article VII, Section 2.

Article XIII – Music Selection Committee

A music selection committee will be appointed by the President at the Winter meeting. The All-West Tennessee Conductors will be selected in plenty of time so that they may select music for the All-West Tennessee event. The Association may choose to have the conductors send lists for which the music selection committee will choose the program or they may wish to allow the conductors to make the selection alone. In any event, the Secretary should send out the complete list of music before schools adjourn in the Spring.

Article XIV - Ratings

- Section 1. Festivals for choral groups will employ a rating system for participating choirs. The Solo and Ensemble Festival will have a separate rating system since there is only one judge.
- A. Each judge, upon evaluating the quality of the performance by comparing it against the best amateur standings for the event being judged, shall indicate on the official form a rating for each participant. The five ratings to be used are Division I (Superior), Division II (Excellent), Division III, (Good), Division IV (Fair), Division V (Poor). Any performance may be judged for “Comments Only” at the request of the choral director.
 - B. Judges shall not be required to give percentile scores for senior high, but are expected to give constructive comments on the performance.
 - C. The score given each participant shall not be regarded as a ranking, but a rating. The distribution of scores will depend upon the general level of performance in the events.
 - D. The event chairperson will keep a list of judges who we do not wish to use again. A name may be added to the list upon a two-thirds majority vote of the Association membership at a regularly scheduled meeting.
- Section 2. A. This combination of ratings shall determine the final group rating score of choirs in the performance component of Choir Festivals:

When the final tabulation of scores is made in the Tally Room, scores will be arranged in numerical order from highest to lowest. The number of students needed for the Honor Choir will be selected from these scores, starting at the top in each voice category. Alternates will be chosen for All-State but not for All-West.

Article XV - Amendments

Amendments may be made to the Bylaws by a majority vote of the active members present and voting, provided a notice of such intended amendment is sent via email to the WTVMEA membership and communicated through the WTVMEA website, at least thirty days prior to the meeting at which voting will be held. A written copy of the proposed amendment shall be given to the Secretary/Webmaster to be printed for membership at the beginning of the meeting in which voting will take place. A quorum must be present to amend the Bylaws.
