*WTVMEA and the Northwest Choir Chairs would like to thank Englewood Baptist Church for their hospitality in allowing us to rehearse and present our concerts here this afternoon.*

Greeting Parents, students, families and friends,

It is my distinct honor on behalf of the membership of the West Tennessee Vocal Music Association to welcome you to 2022 All West Tennessee Junior and Senior High Honor Choir Concerts. Both our students and directors in collaboration with our chairs, accompanists and guest clinicians have worked tirelessly to present the finest concerts possible. This afternoon please enjoy this journey through music with us. We thank you for encouraging and fostering your child's musical abilities, and tonight you shall see the fruits of your investment.

Each year life brings challenges, obstacles and opportunities that are always ever changing. These events affect us all and most importantly the young lives of our students, who themselves are growing and maturing. Choral music provides an outlet for students where they can escape into a discussion and express themselves through the beauty of artistry. For it is through the different genres of music, covering a varied array of topics, culture, and time periods, that introduce students to communities outside of their own. Making music allows us a moment to see the beauty and opportunities the universe has to offer; magnifying the positive, the noble, and the honorable qualities that our society has to offer.

What a wonderful opportunity for our honor choir students to participate in this celebration of our humanity, bringing to the forefront the elegance and the dignity of making music. This honor choir experience also offers opportunities to enhance our students' problem-solving, higher-order, critical analysis, and interpersonal skills. Yes, music is an academic subject that is a vital and valuable part of our students' total education. It is not 'extra'-curricular, but co-curricular, in that it supports and reinforces so many academic disciplines. WTVMEA's mission is to strive to provide scholarly, rigorous music-making experiences for our students, and this honor choir concert is one such event.

Again, we thank you for your presence here today, and we know that you will be positively impacted by the performances this afternoon. Enjoy the concerts!!!
