Greetings,

On behalf of the West Tennessee Music Educators Association, it is my pleasure to welcome family and friends to the performances of the 2024 All West Junior and Senior High Honor Choirs. Students and teachers along with our event chairs, accompanists and, of course, guest clinicians, have worked incredibly hard to bring you amazing concerts of the highest musical caliber. The members of WTVMEA wish to thank you all for encouraging these students to participate in their school ensembles and to have the courage to audition for honor choirs. Making music gives us an outlet for our creativity and allows us the opportunity to experience the beauty of the world while also offering comfort and perspective as we process and cope with challenges.

As a music educator, I believe that music is an essential component of a well-rounded education. Music enriches students' intellectual, emotional, social, and creative development and provides benefits far beyond the music classroom itself. Music is more than an extracurricular activity. It is an integral part of a complete education. By supporting music education, we are fostering versatile, capable individuals who are prepared to prosper in a complex and competitive world. The mission of WTVMEA is to provide experience for students that make them not only better musicians, but also better human beings. We believe that All West Honor Choir accomplishes both of those goals.

I thank you again for your presence here today, as well as your support for music education in your communities. I hope you enjoy this afternoon's performances as much as they have enjoyed this experience over the last few days. Congratulations to all of the students, teachers, and families represented here today in these amazing honor choirs.
